

## EPPSA & PEER Data Use Agreement for Zambia Clean Cooking Study Data

1. Agree to use the requested data only for the registered project.
2. Agree to submit a new research project request if I want to use the data for another purpose (using instructions on the CPC data portal <https://data.cpc.unc.edu/>).
3. Agree that the datasets will not be shared with other researchers without the written consent of the PIRE Program Director Dr. Pamela Jagger ([pjagger@umich.edu](mailto:pjagger@umich.edu)) and PEER PI Dr. Francis Yamba ([ceeez2015@gmail.com](mailto:ceeez2015@gmail.com)).
4. Agree to keep the data files in a secure location where they cannot be accessed by unauthorized users.
5. All sensitive data (e.g. GPS Coordinates) will adhere to the following data security protocols:
  - a. Access to study data must be protected by a username and password that meets the complexity and change management requirements of a [UNC ONYEN](#).
  - b. Study data that are accessible over a network connection must be accessed from within a secure network (i.e., from on campus or via a [VPN connection](#)).
  - c. Computers storing or accessing study data must have [Endpoint Protection](#) (AntiVirus/AntiSpyware) installed and updated regularly where technologically feasible.
  - d. Patch management and system administration best practices should be followed at all times on systems storing or accessing your data.
  - e. Users should be granted the lowest necessary level of access to data in accordance with ITS Security's Standards and Practices for Storing or Processing Sensitive Data (when technologically feasible).
6. Agree to treat all data as confidential, and to make no effort to identify any individual or household in the survey.
7. Agree that no results will be published in which individuals or households can be identified.
8. Agree that the data will not be used for any marketing or commercial venture.
9. Agree to submit a copy of any reports/publications resulting from using the data files to: [pjagger@umich.edu](mailto:pjagger@umich.edu) (PIRE PI), [ceeez2015@gmail.com](mailto:ceeez2015@gmail.com) (PEER PI), and [rkmccord@email.unc.edu](mailto:rkmccord@email.unc.edu) (PIRE Project Manager).
10. Agree that any products/outputs will formally acknowledge National Science Foundation support from PIRE grant number 1743741 and the National Academies of Science support from PEER grant number 7-100.
